

# *2015 Wildfire Prevention Poster Contest*

ABEINSA

## Teachers, Parents and Arizona Youth Grades 4-8

Please join us for the second year of Arizona State Forestry's "How to Prevent a Wildfire" poster contest! Last year was a huge success, and we hope to receive even more posters this year!

Please help us educate Arizona youth in understanding how to prevent human-caused wildfires in Arizona. Posters that depict ways to reduce wildfires and how to be safe with fire will be used in future fire prevention programs for the state of Arizona.

We hope that Arizona youth from across the state will take part in this fun and educational program!

**ENTRY DEADLINE: MARCH 13, 2015**

(entries must be received by this date)

Questions? Email Carrie Dennett at [carriedennett@azsf.gov](mailto:carriedennett@azsf.gov) or go to our website at [www.azsf.az.gov](http://www.azsf.az.gov) for more information.
